Birthright Unplugged Participant Agreement

Participant's Name _____

Birthright Unplugged Participant Agreement:

1. I agree to behave with respect for the cultural norms in the areas I visit during the entire Birthright Unplugged trip. While in Palestine, I will make an effort to observe the local cultural norms. These norms include not drinking alcohol and not having flirtations with people I meet during the trip. Even after the trip I will observe these norms when returning to communities introduced to me by Birthright Unplugged. I understand that my presence in these communities will continue to be associated with Birthright Unplugged, and violations of cultural norms may jeopardize the organization's relationships, reputation, and work.
2. I agree to be sensitive to dynamics that may arise within the traveling group and with individuals and groups with whom we meet, and I agree to listen more than I speak.
3. I accept that my behavior at all times during the trip must be nonviolent, both physically and verbally, and consistent with local laws.
4. I will send a \$350-\$500 contribution to Birthright Unplugged upon acceptance, and I understand that this goes towards the cost of the trip and is non-refundable except in the case of trip cancellation.
5. I agree to participate in the program in full except in the case of illness or emergency and in consultation with trip leaders.
6. I understand that the organizers of the trip have full authority to remove me from the program if my presence is deemed harmful to the group or to the Palestinians with whom we visit.
7. I authorize Birthright Unplugged to record and edit video and photos taken during the trip in which my likeness, image, voice, and interview may appear. Birthright Unplugged may use and authorize others to use all or parts of the video. Birthright Unplugged shall own all rights, title, interest and copyright to the video to be used and disposed of without limitation and at the sole discretion of Birthright Unplugged to determine. I understand that the use of any images taken by individuals on the trip may require the written authorization of those appearing in them for public use.
8. I hereby release Birthright Unplugged from any liability in the event of any damage or injury to my person or my property during, before, or after the Birthright Unplugged trip.
